

British Values Policy

We walk by faith and not by sight: 2 Corinthians 5:7

This policy statement underlines the Academy's recognition of the importance of British Values.

Rationale

Promoting British Values at St Paul's C of E Academy

The DfE have recently reinforced the need *"to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs."*

The Government set out its definition of British values in the 2011 Prevent Strategy, and these values have been reiterated this year (2014). At St Paul's these values are reinforced regularly and in the following ways:

Democracy

Each year the children decide upon their class rules. All the children contribute to the drawing up of the rules. We have a school council which meets regularly with the Vice Principal to discuss issues raised in class council meetings. The council has its own budget and is genuinely able to effect change within the school. Every child on the student council is voted in by their class.

Children have an annual questionnaire where they are able to put forward their views about the school.

The Rule of Law

The importance of laws, whether they be those that govern the class, the school, or the country, are consistently reinforced at St Paul's Academy. Pupils are taught from an early age the rules of the school.

Pupils are taught the value and reasons behind rules and laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are

broken. Visits from authorities such as the Police and Fire Service help reinforce this message.

Individual Liberty

At St Paul's Academy, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make informed choices, through a safe environment and an empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our eSafety lessons. They also understand that with rights come responsibilities.

Mutual Respect

Mutual respect is at the heart of our values. Children learn that their behaviours have an effect on their own rights and those of others. All members of the Academy community treat each other with respect.

Tolerance of those of Different Faiths and Beliefs

At St Paul's C of E Academy we actively promote diversity through our celebrations of different faiths and cultures. Religious Education lessons and worships reinforce messages of tolerance and respect for others. The children visit places of worship that are important to different faiths. As a school we work closely with families from different faiths in order to ensure that all children are included.
