Newsletter No.1

Dear Parents and Carers,

I would like to extend a very warm welcome back to every child and every family for our new school year. The children are so excited to be back and it's been a real pleasure to see their happy faces and hear their cheerful chatter around the building.

The children have settled in so very well into their new routines and they are doing remarkably well; we are all proud of them.

As these are challenging times we want to reassure you that we are doing everything we possibly can to keep your child/children safe in school.

I appreciate your support with the staggered start times and finishes to the school day as well as your social distancing whilst waiting at the end of the school day. As we have nearly completed our first week back, I hope that you all have a lovely weekend,

Best wishes,

A. Myhrie

Principal

Summer Works

We have had a lot of work completed throughout school during the summer holidays, as we secured funding for energy efficient lighting to be installed across the building. This was obviously a large project to manage however, all of our classrooms and shared areas now have super bright efficient lighting. Our boilers are in the process of being replaced, this again is a large project to manage and the children's toilets have all been refurbished, they now all look very sparkly and colourful.

The playground space around the story chest area has been cleared of all bushes and is being grassed over to create a further space for the children to play.

School Site

Thank you to Mr. Perrins, Mrs Taylor and Mrs O'Dea for their hard work over the summer to ensure that we have returned to a super clean school. The site team have worked throughout lockdown and the summer holidays to ensure that the school is ready to fully re-open.
