

# St Paul's News

Newsletter No.29

## Dear Parents and Carers,

Last week may have been a shorter week in school, but we still managed to fit lots of work and fun in, I hope that you enjoyed the Bank Holiday weekend!

This week it is Mental Health Awareness Week and the children will be completing lots of activities in school, the theme this year is connecting with nature. As a school we are blessed to have fantastic grounds and we are so lucky to be able to make use of them. All of the children will be planting sunflower seeds and they will be bringing these home so that they can be carefully nurtured; will be growing some in school too! Please send your photos in so that we can see who has the tallest sunflower. Have a great weekend,

*Best wishes  
Mrs A McGuire  
Principal*

## Reading Spine Launch Day

Next **Thursday 20th May** will be a non uniform day as we launch our new Reading Spines. The children should come into school dressed as a book character to celebrate this, we did miss everyone joining in World Book Day this year. Miss Winchurch will be leading a special Assembly and each class will receive their book boxes and individual St Paul's Reading Spines. The Reading Spine is a collection of books that every child should read during their time at St. Paul's, we are grateful to the Tipton Education Fund and the Salter Trust for funding this project.

## Children's Mental Health Week

In February we entered the SIPS Express Yourself competition as part of Children's Mental Health week and we have had 2 winners! Well done to Braydon in Reception and Archie in Year 5; they will receive their prizes from the CEO of SIPS; Brian Cape next week. Well done to both!
