TIMES TABLES ROCKSTARS

As we approach the end of the school year, it is time to look back and reflect on the year we have had and consider the impact TTRS had had at our school and on our children's times table knowledge.

All of our children have shown great enthusiasm towards TTRS and are always keen to play it, with some children even wanting to play it during their own break and lunch times. This passion has been shown through the participation and statistics for our school. Below shows a comparison from when we first launched TTRS to now, I'm sure you will all agree how wonderful it is to see the huge improvements made.

| | <u>September 2018</u> | <u>July 2019</u> |
|---|---|---|
| <u>Children with a rock speed (Whole School)</u> | 4 *Children who have played in the Studio (12x12) at least 10 times will generate a rock speed | 162 *Children who have played in the Studio (12x12) at least 10 times will generate a rock speed |
| <u>School's accuracy %</u> | 67% | 84% |
| <u>School's Rock Status</u> | Garage Rocker – 9.24 seconds a question | Support Act – 4.73 seconds a question |
| <u>Nearby schools leaderboard</u> | 5 th out of 10 schools | 8 th out of 30 schools |
| <u>Active players Years 1 – 6</u> | Year 1 – 30% Year 2 – 90% Year 3 – 87% Year 4 – 87% Year 5 – 83% Year 6 – 94% | Year 1 – 65% Year 2 – 100% Year 3 – 100% Year 4 – 100% Year 5 – 94% Year 6 -87% |

On our last newsletter we mentioned the Battle of the Bands that was set up in each class between the girls and boys. There was an even split between the boys and girls with the boys winning in Years 1, 3 and 5 while the girls won in Years 2, 4 and 6.

TTRS will still be accessible during the summer holidays so please encourage your child / children to access it when they can. I know Y5 are eager to become Rock Hero's so let's see how many we can get for the start of September, currently we have 23.

We will continue to use TTRS next year where we hope to have the same successes as this year. As a school we very much appreciate your continued support and we ask that you please continue to encourage your child/children in accessing and using TTRS.
