Newsletter No.20

Dear Parents and Carers,

The children have enjoyed a very artistic week in school, they have had the opportunity to work with a visiting artist to create a History timeline and the results are amazing. We have finished our school vision and values work in the school hall with a visiting artist and some of our pupils in KS2 have completed their well being art work with a specialist teacher. The work will be posted on the school website for you to see and enjoy, our visitors have commented on the excellent behaviour of the pupils, which makes us all feel very proud of them.

I hope that you have a lovely weekend,

Best wishes

A. Myhrie

Principal

Nursery Places 2022– 2023

If you require a Nursery place for the coming academic year, please fill in an application form available from school as soon as possible.

P. E. Kit reminder

Please ensure that your child is in the correct school P.E. kit. The zip through hoodies and jogging bottoms are available at most high street supermarkets.

The School Run

As more people are returning to work; the area around school in the morning is much busier. We do have a staggered start, which eases the flow of traffic, however I have received complaints from parents regarding the speed in which some cars drive away from school once they have dropped their children off.

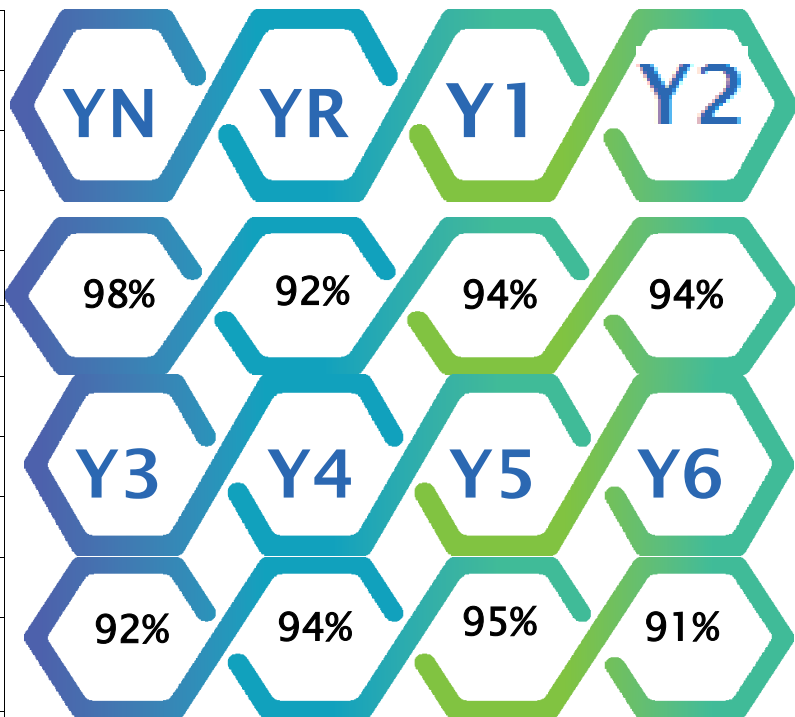

During the school run, roads around school will be busy with children making their way to school, whether they're walking, cycling or using their scooter. Not all children have a great road sense so always be aware that they might run out in front of your vehicle at any given moment. Please drive slowly and take great care when on the school run.
